OFFICE OF LEGISLATIVE COUNSEL

Monday - 16 April 1973

1. (Secret - GLC) Met with James Gehrig, Professional Staff Member, Senate Aeronautical and Space Sciences Committee, and briefed him on the facts as we know them to date concerning the Salyut-2 vehicle. I told him as soon as we had more detailed information we would be in touch with him. I also asked that he brief Bob Allnutt, of the Committee staff.

3. (Unclassified - PLC) Called Miles Costick, staff assistant to Representative Ben Blackburn (R., Ga.), and inquired as to whether he had located the listing of unclassified publications on East-West trade which had been hand carried to Blackburn's office on 9 April. Costick said he received the listing this morning. It had been mistakenly mailed to their office in Georgia. He said he would call me later concerning certain unclassified publications and I told him we would try to be of assistance to him if we can. I told him that when the security clearance arrangements are made, I will call and arrange a briefing.
